FOUNDED FEBRUARY 8, 1869

290 State Street · New London, Connecticut

VISITING ANOTHER MEMBER CLUB

A letter, a phone call, a welcome.

Each of the clubs that follows has a reciprocal arrangement with The Thames Club. Most welcome members for dining, lodging, or short visits — terms vary by club, and many require an introduction letter from our office before you arrive. We are glad to make the call.

Reach out at least a few days before you travel. We will confirm the club is expecting you, send a letter on Thames Club letterhead if needed, and pass along anything useful — dress code, lunch hours, whether they take walk-ins.

Request an introduction letter

Call **(959) 264-2733** and ask for Jennifer at the Club office, or email **thamesclub.nl@gmail.com**. Please include the club name, the dates of your visit, and the names of anyone traveling with you.

If you are not sure whether a particular club is on the list, just ask — reciprocity arrangements change, and the office tracks updates as they happen.

Web addresses listed in this directory were verified during the April 2026 review. Reciprocity terms, hours of service, dress codes, and lodging availability vary by club and change without notice. Always call ahead, and request an introduction letter from the Thames Club office before your visit.
